

February 6, 2008

Dear Friend,

We are inviting you to take part in the second annual Sitka Health Summit on May 14-16. This event brings together community members, business leaders, local health care organizations and nationally recognized experts with the goal of maximizing Sitka's community health and wellness.

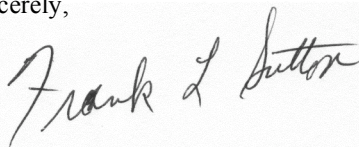

Helping sponsor this event is your chance to take an active role in bettering the health of our community. Your donation will be used to fund the summit, as well as community projects that have a direct and immediate positive impact toward improving the health of our citizens.

As a result of last year's inaugural event, we were able to create a more bicycle and pedestrian friendly community, improve nutrition in our schools, develop a community recreation and wellness center, and bring businesses and insurance companies together to improve the health status of Sitka employees. The Sitka Health Summit's vision is "to serve our great state as a model for community wellness by creating a healthy community where Sitkans strive for and enjoy a high quality of life."

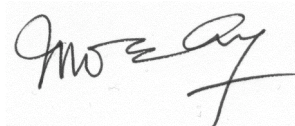

If you require additional information about the Sitka Health Summit, feel free to contact us and we will be happy to answer your questions. You can contact Grace Brooks by phone at (907) 966-8865 or via e-mail at grace.brooks@searhc.org. You also can visit the Advancing Our Community website at <http://www.sitkaaoc.org/> and click on the Sitka Health Summit icon to learn more about last year's accomplishments and this year's goals.

Thank you for your consideration. The Sitka Health Summit couldn't happen without your generosity.

Sincerely,

Frank Sutton
SEARHC VP of Hospital Services

Moe Chaudry
Sitka Community Hospital CEO/Administrator
